Instructions to place your 'District' End Plastic Soup in a png, using photoshop.
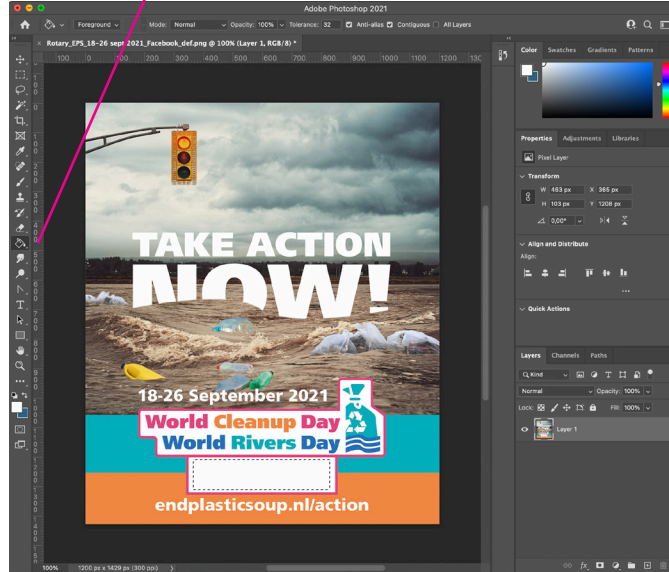

1. Open png in Photoshop.
   Delete the 'Clubs of Amsterdam' End plasic Soup logo.

2. Fill the empty spot with white, using the 'bucket' tool. Be sure to change fill color to white.

3. Open your District End plasic Soup logo and insert into the white space. Use the 'scale' to adjust size.

4. Flatten the image in the 'layers' window and press save.
